**Coca-Cola** TASTE THE FEELING™

*"Haus is a family run Bistro & Take Away established July 2017 and one of the main ingredients on our menu is music. We source everything else from local Bangor suppliers and take pride in our home cooked fare. Our menu is homemade daily on the premises. Along with our breakfast menu, all items are cooked fresh to order."*

*Our Haus waffles are prepared for collection or delivery with each ingredient packaged separately to retain the quality of the ingredients, allowing you to make your own wonderful waffle creations. The caramelised sugar in the waffles harden as they cool, we recommend reheating slightly if you prefer a softer texture*

*If you choose to dine in-Haus don't forget to bring your own bottle of wine. If you choose collection we hope you enjoy your visit and the music."*
